

Peterson Conservatory of Music and Arts presents:

Cry Wolf! By Catherine Bush

After 50 years, the wolves have returned to the forest. The inhabitants of the nearby village are in an uproar-their survival depends on their flock of sheep, the wolves' favorite menu! Join a cast of characters that includes a boy named Peter, Little Red Riding Hood, the Three Little Pigs and a rebel sheep named Snowflake as they try to outwit the biggest villain of them all, the Big Bad Wolf, in this zany mash-up of bedtime favorites.

Roles are open for child and adult actors and actresses, and crew positions are also available!

Children's choir selections and a few solos will be included in the production
